

AA Annual Report

November 2024

The AA received 40 new/exterior change applications this past fiscal year. 35 of these applications were approved, completed and closed. Five applications have been approved and are in process.

During this past fiscal year, the AA members opened 234 compliance issues including weed issues, dead limbs and trees and several other compliance violations. Of these, 174 issues were resolved and closed. The AA currently has 60 compliance issues in process.

The AA members wish to express their gratitude to their administrative support team, who have been instrumental in helping the AA members to track and resolve both the applications and compliance issues.
